Berkeley Nurseries
Aldie, Va

The specialties offered below are propagated from specimens selected from a large private garden for qualities that make them outstanding examples of their type. They are all perfectly hardy and are first rate garden subjects. Our special daffodil list will be sent to you later.

LIBRARY RECEIVED APR 24 1936 U.S. Department of Agriculture

All plants are guaranteed true to name and will be replaced if error should occur.

Five are sold at the rate for ten. If less than five are ordered, add 10% to the rate for ten.

We carry no accounts and request customers to send remittance with their orders.
